Note: Only toilets that use **more** than 1.6 gpf qualify for a rebate. To qualify for the rebate, you must provide documentation that you have recycled the old toilets. This requirement can be met by obtaining an invoice from an end-use porcelain recycler.

Multifamily Toilet Rebate Program Policy

By submittal hereof, customer acknowledges that the rebate is a one-time rebate of \$100 per qualifying toilet purchased after July 1, 2015, and installed in a multifamily property in the City of Cumming Dept. of Utilities service area. The 1.28 gallon per flush or less, EPA WaterSense labeled toilet(s) replace existing toilet(s) that use more than 1.6 gallons per flush. Customer must provide original receipts detailing purchase of qualifying EPA WaterSense toilets and documentation indicating that the original toilets have been recycled. Customer must agree to pre- and post-installation inspections by a City of Cumming employee to verify that all program requirements have been met. There is a maximum of fifty (50) rebates per property per calendar year.

Rebate funds are guaranteed for three (3) months from the date of the pre-installation inspection.

I have read and understand the toilet rebate program as stated above and agree to all the terms listed.

Applicant Signature: _____ Date: _____
