TOILET PROGRAM POLICY:

By submittal hereof, customer acknowledges that the rebate is a one-time rebate to be received only if the customer has purchased eligible toilets after September 28th, 2007 and is in good financial standing with the water utility. Customer acknowledges their home was built in 1993 or earlier with toilets using 3.5 gallons per flush or greater. Customer also acknowledges that the credit of \$100.00 is only available for WaterSense Labeled High Efficiency Toilets with a maximum of two (2) toilets per property (including previous owners). Customer further acknowledges that the rebate program is subject to available funds and may be cancelled at any time without notice. Rebate is available only for eligible customers and qualifying toilets as determined by the Metropolitan North Georgia Water Planning District.

I have read and understand the toilet program policy as stated above. I understand to receive this rebate, I must install a qualifying toilet and dispose of my current toilet so that it may not be reused. I also understand a site visit may be conducted to verify toilet replacement. The original receipt for the new toilet purchased must be attached with this application for approval. I certify by my signature below that I will comply with all of the requirements of the rebate program, that this application is true and correct in all respects, and that any failure on my part to provide true and correct information may subject me to penalties.
