

Metropolitan North Georgia Water Planning District

Watershed Technical Coordinating Committee Meeting Summary June 24, 2026

The Metropolitan North Georgia Water Planning District Watershed TCC met on Wednesday, June 24, 2026, at 10:00 a.m. in the Jones Room at the Georgia Association of Water Professionals office in Marietta and via Teams.

Local Governments Present

City of Alpharetta	City of Gainesville	Cobb County
City of Atlanta	City of Kennesaw	Coweta County
City of Cartersville	City of Lawrenceville	Douglasville-Douglas Co. WSA
City of Dallas	City of Marietta	Forsyth County
City of Decatur	City of Peachtree Corners	Gwinnett County
City of Doraville	City of Roswell	Hall County
City of Duluth	City of Sandy Springs	Paulding County
City of Fairburn	Bartow County	Rockdale County

The following agenda items were presented and discussed:

- The TCC heard announcements from Georgia Association of Water Professionals (GAWP) and District staff. The District shared staffing updates, and a Technical Assistance Program Tip for 2022 Water Resources Management Plan Action Item: Watershed-1.
- The TCC provided input for the 2028 Water Management Plan Update, including general regional watershed issues and topics for a Private Stormwater Systems Guidebook.
- The TCC heard an overview of the District's Post-Construction Stormwater Technology Assessment Protocol (PCSTAP) and then a special topic presentation about the National Municipal Stormwater Alliance's (NMSA's) Stormwater Testing and Evaluation for Products and Practices (STEPP) Program.
- The TCC heard project updates for the District-Wide Stormwater Infrastructure Mapping Strategy project and the ARC Transportation Resilience Improvement Plan (TRIP).
- The TCC heard a water supply update which included drought, lake elevation, and precipitation data and a list of District created resources.
- In-person participants were given the option to watch the District [High School Video Contest](#) winners' "What makes stormwater a resource?" PSA videos.
