

Metropolitan North Georgia Water Planning District

International Tower | 229 Peachtree St., NE | Suite 100 | Atlanta, GA 30303

Addendum #2

Communications, Marketing, and Website Support Services RFP Questions and Responses

The following questions were received related to this RFP:

- Do you want website design/redesign for all the three sites (including northgeorgiawater.org)?
 - Yes, the District is seeking support for designing and developing our multiple websites.
- What new features do you want on the site? Client login, payment integration or staff management portal?
 - Any new features and applications would be centered around sharing information with the public and stakeholders in new and creative ways. The items referenced in your question are not in our short-term plan but could be in the future.
- Do we need to add hourly rates as mandate, or can we give a fixed service fee/month?
 - With Deliverables
 - We request hourly bill rates for this RFP.
